

"Fire is benevolent and malevolent, beautiful and terrible in turns. It warms with its geniality and scorches with its power."

And if you want to dodge the results of that "scorching" you'd better C. Brewer & Co. about Fire Insurance—and see them soon, too!

Once a man fell out of a window three times. The first time it was an "accident," the second time it was a "coincidence," but when it happened the third time it was a "habit." Saving money is somewhat similar; after you've saved the first dollar, and then the second dollar, then it becomes not only a "habit," but a PLEASANT habit.

FAIR SWIMMERS
FROM COAST TO
COMPETE HERE

Hui Au Kai Dance Receipts
Will Insure Speed Contests
Between Speeders

Not only will the crack men swim-
mers of the coast be on hand to com-
pete in the meet to be given here at
the time of the Mid-Pacific Carnival,
but also at least two fair water swim-
pers, according to advices just received
from San Francisco. It now looks
as though the local girl swimmers
would have worthy competition in the
events which are scheduled for them
in the February program. To get
around the restrictions and provi-
sions of the A. A. U., a separate set
of officials will be secured for the
women's races, so that the meetings
will be separate and distinct, official-
ly, although held at the same time
and place.

The Hui Au Kai, the local associa-
tion of women swimmers, has planned
a dance for next Saturday night at the
Outrigger Club, to furnish funds for
bringing the fair Californians to Ha-
waii. In line with the plan, the fol-
lowing communication was received
today by Miss Miriam Stacker from
A. P. Taylor, the San Francisco agent
of the Hawaii Promotion Committee:
"Mr. Unmack came to see me this
morning and we compared notes on
the proposition of having California
girl swimmers going to Honolulu in
February. Mr. Unmack will write a
story in today's afternoon Call, but
it will be too late, possibly, to send
you a copy, as the Sonoma goes out
at 2.
"He will give the matter full pub-
licity and will suggest two swimmers,
to wit:
"Margaret Brack of San Francisco,
who holds the 440 record, beating
Miss Sutton in the 440, also beating a
field of ten. She is about 18 years old.
She is a long-distance swimmer, but
Unmack says she can go some in the
50, 100, 220, and of course, the 440;
and
"Dorothy Becker, a short distance
swimmer in the 50 and 100.
"As to the women's clubs, Mr. Un-
mack says he doesn't know of any.
However, I will try to ascertain about
them and forward the letters soon.
Miss Brack, I am told, is engaged to
Ernie Smith, the crack swimmer of
the California University. I think it
is a splendid thing to get the Califor-
nia girls over there, but they will cer-
tainly have to do miracles to beat
Ruth Stacker. Whenever you have
any definite plan, wireless or cable
me. My address is 'Promotion, San
Francisco.'"

Morning on
CHANGE

One of the features of the stock
and bond exchange this morning was
the sale of Honolulu Brew. & Malt,
stock at 17, a point and three quarters
gain over yesterday. The gain was
evidenced in a sale made at the ses-
sion, when five shares changed
hands. Brewery was selling yester-
day and the day before at 15, driven
down to that low point by the prohibi-
tion movement. A special meeting of
the directors of that company was
held January 15, and this morning no-
tice was given that dividends to the
amount of one per cent were de-
clared, payable for the six months
ending June 30, this year. Hawai-
ian Commercial, between boards and
in session, sold at an unchanged
price, 21.75. Onomea between boards
gained a fraction more than a half
point, selling at 15.50. Waialua
stayed at 55, and Olaa gained a quar-
ter point, being dealt in at 75. Mc-
Bryde stayed at 1.75.
